About this product

Cleanse + Detox + Balance

Faulding® Superfoods Chlorophyll Liquid provides a natural source of Chlorophyll, which can be taken in conjunction with a healthy detox program. Chlorophyll is the green pigment found in plants, which is required for photosynthesis, a process that captures radiant energy from the sun and uses it to produce oxygen and carbohydrate, the fuel source for plants. Faulding® Superfoods Chlorophyll has a great spearmint taste and can be used for everyday use or as part of a healthy detox program.
